IN THE SPECIFICATION

Please amend the specification at page 2, lines 1-2 as follows:

Reference 1:

Japanese laid open patent, ~~2001-210349~~ 2000-048885

Please amend the specification at page 5, and insert the follow sentence between lines 11 and 12 at page 6:

FIG. 2(c) is an expanded cut view of the FPC contacting with the printed circuit board along the section c shown in Figure 2(b) to show the arched surface of the micro contacting pieces.
